

REMARKS

Favorable consideration and allowance are respectfully requested for claims 1-35 in view of the foregoing amendments and the following remarks. The previous indication of allowable subject matter is acknowledged with appreciation. The present amendments are provided only to present the claims in better form for appeal and to comply with the formal requirements set forth in a previous Office Action. In particular, claim 35 is amended to adopt the Examiner's helpful suggestion to insert the word "therapeutically" before the word "effective". The claims are also amended to address the objection to the claims for containing non-elected subject matter.

Accordingly, entry of these amendments and prompt favorable action on this application is earnestly solicited.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #029310.52539US).
